Your Outdoor Living Journey STARTS HERE

Tools and planning considerations for designing and creating a new space where you can connect, reflect and recharge.

1 GET INSPIRED

This product catalog was designed to help you explore your options and inspire your creativity. Get ideas on a wide variety of outdoor living projects and how to recreate the looks you love in your own backyard. Then, work with your contractor to refine your vision.

2 SELECT *the* RIGHT PARTNER

Choosing a contractor is an important decision. It's critical to build a relationship and work together to create your ideal outdoor living space. Scan the QR code below to find the ideal partner for your vision.

FIND YOUR CONTRACTOR

3 TO PHASE *or not* TO PHASE

Sometimes, it's not feasible to build your entire dream outdoor space at once. Discuss financing options with your contractor or develop a phased plan that makes the most sense from a cost and lifestyle perspective.

LEARN MORE ABOUT BELGARD FINANCING

PRO TIP
When phasing your project, it's important to plan for things like electrical and plumbing in phase 1.

Your dream space
NOW A REALITY.

Time to plan
WHAT'S NEXT.

Whether installing one outdoor room at a time or simply adding onto an existing outdoor living area, our Augmented Reality tool helps you visualize your future space. Simply load your favorite AR Room onto your mobile device and project it onto your actual yard. Physically walk through the design and get a realistic vision of how you would live in that space.
